Pre-Registration Closes September 10, 2022

It's Back for it's 9th Year. The *funnest* fundraiser for Special Olympics Maryland is back! This will be our 9th annual Point One K. (Yes, the entire "marathon" is still just 328 feet with a victory party.) This is a race that any level of athlete can compete in and then proudly don a t-shirt vaunting their achievement. So, please invite your friends to run with you too.

The real achievement is the thousands of dollars that we raise each year to support Special Olympics Maryland. Every \$100.00 we raise allows Special Olympics Maryland to put 3 more athletes on the field. Our support empowers athletes to shatter stereotypes and exceed their personal bests on the playing field and in life. The Knights of Columbus and our sponsors pay for all race expenses so that 100% of your donations go straight to Special Olympics Maryland.
