Lesson Rate: \$20/half hour + deals with pairs

Years of experience: 3 at Knights doing lessons

Relevant certifications: CPR/AED USA swimming coach NEO resurrection verified

Colleen Smith

240-286-2573

Lesson Rate: \$20/half hour

Experience: I started teaching swimming lessons in 1996. I have a BA in Elementary Ed, a masters in School Counseling. During the school year I work as a school counselor, mostly focusing on grades K-2. I am also certified in Special Education and work with MiniKnights as well as help coordinate the swim team.

Mason Stoops (Swim Coach)

301-377-2667

Lesson rate : \$20/half hour

Years of experience teaching: 5 years

Relevant certifications/coaching training : I am lifeguard certified (CPR certified) for 6+ years, I am the manager for the knights of Columbus pool, I have been teaching kids/adults how to swim since I was 16. I have been swimming my whole life, I have been on swim teams since I was 5, and swim for UMD, I have been coaching for the knights swim team for the past 2 years, I have also been coaching for St Vincent Pallotti high school swim team for the past 2 years. I have been trained to teach all ages, adults and kids, I work for a swim instructing company called the British swim school, I know how to work with special needs kids. I know all the fundamentals of stroke development, and perfecting strokes.

Additional Information: Since I am so busy throughout the summer I can only take on a few lessons here or there, but would love to work with all ages to either get kids ready for the water or get kids learning the strokes faster for swim team since practice time can be so limited. I can work on all things at lessons if it's learning the basics of strokes, or learning more complicated stuff like diving, flip turns, mastering strokes, etc. I can also teach adults of all ages if adults want to learn how to swim for personal use, or learn how to swim for athletic use.
